

FINISH STRONG AND GET BACK TO BEING YOU

Activate next-level injury and post-op recovery

After an orthopedic injury or surgery, you play a critical role in the recovery process. The Game Ready® cold and compression system allows you to reduce pain and swelling while reducing the use of opioid medications. All so you can finish strong, maximize your rehab, and get back to the things that matter as quickly as possible.

- ✓ Reduces patient opioid consumption and may allow for **earlier discontinuation of opioid medications** in certain patients.^{1,2,3}
- ✓ Decreases pain and swelling.^{1,4}
- ✓ May increase patient satisfaction with the recovery process.^{1,5}
- ✓ Game Ready can be found in the most prestigious orthopedic centers, athletic training facilities, and physical therapy clinics.

Faster, deeper, longer-lasting cooling* for proven therapeutic benefits
